WHAT TO BRING

Please bring the following items with you on our application day. If you receive an application, these supporting documents must be turned in to ensure your application is complete. If you have any questions regarding the supporting documents, please contact one of our Patient Care Coordinators and we will be happy to help.

- Current Year Tax Return
- Two current pay stubs (for proof of income and hours worked) for anyone working in your household.
- If over the age of 65, provide social security/pension/retirement proof of income.
- Proof of address (utility bill, bank statement, etc.)
- TN driver license
- If you are paid in cash and do not receive a paystub you need written documentation from your employer on their business letterhead containing the business name, address, phone number and owner name/information. The letter needs to state the following:
 - Hire Date
 - Hours Worked Per Week
 - Pay Rate/Income Per Hour
- If you are a college student, provide current class schedule.
- If you are in a work training program, please provide proof of program enrollment.
- If you have a referral from a medical professional, social worker, or employer, please include.
